SUBJECT : Office of Training (OTR) Request for Classroom Space
in the Headquarters Building

REFERENCE: Memo fm D/OTR to DD/S of 13 Feb 70; subj: OTR
Classroom Space in Headquarters Building

1. The reference requested that 800 square feet of space located in [] be reconfigured for use as an OTR classroom. Subsequent to this request, this particular space was assigned to the Office of Special Projects (OSP/DDS&T) because of urgent operational priority.

2. Whereas, the Deputy Director for Support, the Director of Logistics and the Director of Training have agreed the OTR requirement for classroom space within the Headquarters Building is valid, and in consideration of the need to pre-empt the [] space in favor of the OSP/DDS&T priority, it is hereby stated that OTR will be provided with suitable classroom space in the Headquarters Building at the first available opportunity. Such space will be sized approximately 800 square feet and will be reconfigured to meet OTR specifications.
